The screenshot shows a web browser window with the URL `localhost:8080/OnlineQuizPortal/User/register.jsp`. The page is titled "Online Quiz Portal" and "Registration Page". It contains a registration form with the following fields: a text input for "Name" (containing "Kiran"), a text input for "Email" (containing "kiranmattar002@gmail.com"), a password input (containing "\*\*\*\*\*"), a date input (containing "12/20/22"), and a "Register" button. Below the form is a link labeled "Main". The browser's taskbar at the bottom shows the system clock as 8:37 PM on 12/11/2023.

The screenshot shows a web browser window with the URL `localhost:8080/OnlineQuizPortal/User/dashboard.jsp`. The page is titled "Online Quiz Portal" and "Welcome to the User Dashboard". It displays a "Welcome, null!" message and a "Take SQL Test" button. The browser's taskbar at the bottom shows the system clock as 8:38 PM on 12/11/2023.

The screenshot shows an IDE window with the URL `http://localhost:8080/OnlineQuizPortal/TestServlet`. The page is titled "Online Quiz Portal" and "SQL Test". It contains two questions: "Which of the following is not a valid SQL data type?" with radio button options INT, FLOAT (selected), CHAR, and STRING; and "Which SQL statement is used to insert data into a table?" with radio button options INSERT, UPDATE (selected), SELECT, and CREATE. A "Submit" button is at the bottom. The IDE's project explorer on the left shows a project named "OnlineQuizPortal" with various Java files.
